**OVERALL COMMENT:** Cayli, it was a delight to be in your classroom today and observe you. Your lesson was very organized, it flowed from one step to another and kept your students' attention. Enjoy the rest of your week, trying different techniques in your lessons to give them variety, differentiation and effectiveness. I look forward to our next visit.

## Assessed Criteria

Criterion	Description	Score	Comments
Supports student learning through developmentally appropriate instruction		1.0 <input type="text" value="3.0"/> 4.0	Your lesson was very much at an appropriate level, but you need to integrate higher level practices for your high roller students.
Accounts for differences in students' prior knowledge		1.0 <input type="text" value="2.5"/> 4.0	Incorporate within your grabber, some form of questioning, as to find out what prior knowledge the students have of the standard being addressed.
Uses knowledge of students' socioeconomic, cultural and ethnic differences to meet learning needs		1.0 <input type="text" value="3.0"/> 4.0	As you get to know your students, you will be able to adopt your lessons to their socioeconomic backgrounds.
